

Baby

BOTTLE BOOMERANG

Baby Bottle Boomerang helps create vital awareness for A Caring Pregnancy Center (ACPC), encourages families to pray for teens, women, men, and preborn children served through the ministry, and raises needed funds to support our life-giving programs and services. Church members are invited to take home an ACPC baby bottle, place it in a prominent location, fill it with spare change, cash, or even a check, and pray as a family for the precious clients served daily at A Caring Pregnancy Center. Bottles are then returned to the church on the date designated by the church. ACPC recommends that Baby Bottles be returned 4 weeks after distribution.

INSTRUCTIONS FOR INDIVIDUALS & FAMILIES:

1. Place the Baby Bottle in your home where it will be a reminder to pray for those we serve.
2. Place pocket change, cash, and/or checks in the Baby Bottle as an offering to help mothers and their preborn babies.
3. Please include your contact information on the tag attached to the Baby Bottle, and ACPC will send you a receipt for your tax-deductible donation.
4. Return the Baby Bottle to your church by the designated date.

INSTRUCTIONS FOR CHURCHES:

1. Contact LeighAnn at ACPC, office@acpueblo.org or 719.544.9321, to request Baby Bottle Banks and make arrangements for delivery or pick-up of the bottles.
2. Promote Baby Bottle Banks prior to distribution (via church bulletin, announcements during church services).
3. When distributing the Baby Bottles, communicate the date the bottles should be returned to the church, typically 4 weeks after distribution of the bottles.
4. Leading up to the collection of the Baby Bottles, remind families of the return date.
5. Once the Baby Bottles have been collected, keep the bottles intact with all the money remaining in each bottle. ACPC will take the bottles to our partnering bank where each one will be individually counted, enabling us to provide individual donors with a tax receipt.
6. You may either deliver the bottles to the ACPC office or call ACPC at 719.544.9321 to make arrangements for an ACPC representative to pick-up the bottles from the church.
7. ACPC will track the donations and provide a report to the church with the total amount raised from the Baby Bottles.
